INTERNET

4G 4G 4G 4G

O₂ vodafone 3 EE

Upload & download speeds,
bonded together

Bonded speed of up to 300Mbps

**Client LAN**

- Continuum supports both UC and VoIP when a fixed line is not in place.
- Combining SIMs from multiple carriers enhances performance and builds added resilience.
- Fixed lines can also be bonded using this service.

Bonded Internet V2 04/12/20
